

Go beyond pay with the Perks Marketplace

The financial benefits hub for all of your employees

Today's employees expect more than just a paycheck.

ZayZoon's **Perks Marketplace** offers real-world financial utility—savings on essentials like gas and groceries, tools to build credit and file taxes, and much more.

This benefit is available for **every employee**, not just those who need access to earned wages.

How does it work?

The Perks Marketplace is our financial benefits hub, providing employees with access to value across a range of use cases, including discounts on utilities and ways to protect their finances.

- ★ Log into ZayZoon and instantly access dozens of discounts and utilities
- ★ Use perks right away—no need to verify your ID or use EWA to start saving
- ★ For employers, it's a zero-cost way to provide value to all of your employees

Share perks with your team now

Give your team access to savings where they need it most.
